

IT'S MORE THAN A 5K...IT'S A CELEBRATION OF LIFE

Fundraising & Awareness Events

Host an event in your community to help reach your fundraising goals and raise awareness about the importance of organ and tissue donation and transplantation.

Here are just a few ideas:

BIRTHDAY & ANNIVERSARY CELEBRATIONS

Collect contributions in lieu of gifts, now that's a gift that really makes a difference!

CLASSES FOR CHARITY

Get your friends, family and colleagues together for a yoga, kickboxing, art, or paint and sip class. The possibilities are endless!

START A MOVIE OR BOOK CLUB

Choose a list of movies or books to discuss and review together. Ask your family and friends to make a contribution to your team to become a member.

GET CRAFTY

Make and sell your own jewelry or crafts to raise funds for your team.

RUN, WALK, OR CYCLE

Ask family and friends to sponsor a dollar amount for every mile you complete.

DINE IN OR TAKE OUT NIGHT

Partner with your favorite local restaurant that will contribute a percentage of a day's orders to your team. Support small businesses and our life-saving mission! Get started with www.GroupRaise.com to find participating restaurants near you.

These are just a few examples, choose something you love to do and turn that into a way to fundraise, make a difference and of course, have fun!
