~ thank you for your support ~

It's been thirteen years since we lost our daughter, Courtney Lynne. This golf outing has been a way for us to remember and honor Courtney and to bring awareness to Donate life. Courtney's donated organs saved seven lives of those who were in need. She may no longer be with us physically, but we feel her everywhere we go. Our family and friends, Team Courtney, continues to support NJ Sharing Network in Courtney's name. She may no longer be with us physically, but we feel her everywhere we go. Our family and friends have made it our mission to support the Donate Life Foundation and to raise awareness of the importance of organ donation.

This year is the tenth year of the "Team Courtney" golf outing. Proceeds from the outing will be donated to NJ Sharing Network in Courtney's name. The proceeds from the previous nine golf outings have raised more than \$158,000 in support of NJ Sharing Network.

On behalf of the Dayback Family and friends we thank you from the bottom of our hearts for your continued support of our cause and help in keeping the memory of Courtney alive.

Please join us on Sunday June 6, when our family and friends will again be walking in honor and memory of Courtney in the NJ Share Walk in New Providence, NJ.
