About Team Liberty

Team Liberty, a program of the NJ Sharing Network Foundation, competes with teams across the country every two years at the Donate Life Transplant Games to showcase the success of organ transplantation, to raise awareness for the urgent need of organ and tissue donation, and to honor donors and their families who have so generously given the gift of life. Team Liberty is comprised of transplant recipients, living donors, donor families, transplant professionals, and supporters from New Jersey, New York, and Connecticut. Funds raised for Team Liberty are used to help team members go to the Transplant Games and for local awareness and support events year round. The 2024 Donate Life Transplant Games will be held in Birmingham, Alabama, July 5-10, 2024!
