April 28th from 4-8pm

The Hillsborough High School Donate Life Club was started in memory of two HHS students who passed away and saved the lives of others through organ donation.

The club is dedicated to keeping these students and the many other organ donors of the world's legacies alive. We do this through advocating for organ/tissue donation, along with raising money for the NJ Sharing Network.

Make a contribution to a great cause and make sure you **mention the club's name** at checkout!
